In accordance with Government Code section 11346.8(c), the Department of Motor Vehicles (department) provides this notice for the purpose of inviting comments regarding modification of the proposed adoption of regulations implementing the Business Partner Automation Program. The regulatory language as originally proposed was published in the California Regulatory Notice Register on April 8, 2005, and provided to interested persons for comment.

The department received no written comments during the 45-day comment period. After discussions with the Office of Administrative Law staff, it was determined that additional modifications to the originally proposed text of the regulations are necessary.

Attached is the full text of the proposed regulation. The text includes the originally proposed language as well as the proposed changes to that language. Modifications were required for the Undocumented Vessel surety bond and the Appointment of Director as Agent for Service of Process forms. The surety bond has been forwarded to the Attorney General's office for approval. Attached is a list of forms incorporated by reference. The language modifications are clearly illustrated by the following methods:

- (1) The language originally proposed to be added to the text is single underlined.
- (2) ~~The language originally proposed to be deleted from the text is overstruck.~~
- (3) *The language now proposed to be added to the original text is double underlined and in italics.*
- (4) ~~The language originally proposed to be added which is now proposed to be deleted is overstruck and underlined.~~
- (5) ~~*The language currently in Title 13 not originally proposed for amendment, which is now proposed to be repealed, is in italics and overstruck.*~~

Any interested person may submit written comments regarding the changes to the proposed text to the Department of Motor Vehicles, Regulations Unit E-244, Post Office Box 932382, Sacramento, California 94232-3820.
